

# emergency medical services

## GENERAL COURSE INFORMATION

As a first responder you will be one of the first people to arrive and provide medical care at emergency incidents. Topics covered are patient assessment, CPR review, airway, shock, wound management, full body mobilization and initial treatment for other medical emergencies. This program prepares students to pathway into an EMT or other related health career. This program is taught in Fredonia with students earning dual enrolled credits or in partnership with the Coconino Community College.
